

after postmodernism pdf

History. Postmodernism arose after World War II as a reaction to the perceived failings of modernism, whose radical artistic projects had come to be associated with totalitarianism or had been assimilated into mainstream culture. The basic features of what is now called postmodernism can be found as early as the 1940s, most notably in the work of artists such as Jorge Luis Borges.

Postmodernism - Wikipedia

Post-postmodernism is a wide-ranging set of developments in critical theory, philosophy, architecture, art, literature, and culture which are emerging from and reacting to postmodernism. Another similar recent term is metamodernism

Post-postmodernism - Wikipedia

Post-modern just means "coming after" modernism. The term is used to refer to a period in history (the one we're in now), but it is also used to refer to a set of ideas that "go with" this period in history.

That postmodernism is indefinable is a truism. However, it can be described as a set of critical, strategic and rhetorical practices employing concepts such as difference, repetition, the trace, the simulacrum, and hyperreality to destabilize other concepts such as presence, identity, historical progress, epistemic certainty, and the univocity of meaning.
