>> Free PDF American Civilization: An Introduction, by

American Civilization. is meant to be an introduction and as such it fulfills its purpose adequately. The book is easy to follow, the style is straightforward and precise and an enormous amount of information is compressed into its 375 pages. Such a feat of synthesis must necessarily sacrifice depth of analysis.

David Mauk and John Oakland 2005: American Civilization

American Civilization: An Introduction. It covers the key dimensions of American society including geography and the environment, immigration and minorities, government and politics, foreign policy, the legal system, the economy, social services, education, religion, the media and the arts.
