Blue's Clues is an American children's television series airing on the Nickelodeon family of channels. The series takes place inside a picture book world in which everything is made of paper cutouts, clay, and other craft materials. It is presented by a live-action human host who lives in a yellow house inhabited by everyday objects that talk and move.

Animations – Early Flash-based animations, pioneered by Neil Cicierega in 2001, typically featuring foreign language songs (primary Japanese, such as "Yatta"), set to random pop-culture images. The form is said to have launched the use of Flash for inexpensive animations that are now more common on the Internet. Arthur – A 1996 PBS educational series that became popular on the Internet ...
