The combined oral contraceptive pill (COCP), often referred to as the birth control pill or colloquially as "the pill", is a type of birth control that is designed to be taken orally by women. It includes a combination of an estrogen (usually ethinylestradiol) and a progestogen (specifically a progestin). When taken correctly, it alters the menstrual cycle to eliminate ovulation and prevent ...

Haitian Creole contains elements from both the Romance group of Indo-European languages through its superstratum French language, as well as African languages. There are many theories on the formation of the Haitian Creole language. . One theory estimates that Haitian Creole developed between 1680 and 1740. During the 16th and 17th centuries, French and Spanish colonizers produced tobacco ...
