History Early precedents. Techniques of collage were first used at the time of the invention of paper in China, around 200 BC. The use of collage, however, wasn't used by many people until the 10th century in Japan, when calligraphers began to apply glued paper, using texts on surfaces, when writing their poems. The technique of collage appeared in medieval Europe during the 13th century.

Modern art includes artistic work produced during the period extending roughly from the 1860s to the 1970s, and denotes the styles and philosophy of the art produced during that era. The term is usually associated with art in which the traditions of the past have been thrown aside in a spirit of experimentation. Modern artists experimented with new ways of seeing and with fresh ideas about the ...
