But what other kind(s) of syntactic information should be included in Lexical Entries? Traditional dictionaries such as Hornby's (1974) Oxford Advanced Learner's Dictionary of Current English include not only categorial information in their entries, but also information about the range of Complements which a given item permits (this information is represented by the use of a number/letter code).

Nigerian English, also known as Nigerian Standard English, is a dialect of English spoken in Nigeria. It is based on British English; but in recent years, it has been influenced by American English from the United States of America, and some words of American English origin have made it into Nigerian English. Additionally, some new words and collocations have emerged from the language, which ...
