hastening toward prague power pdf

An impressive, systematic dissection of a medieval polity, *Hastening Toward Prague* is based on a close rereading of written and material artifacts from the eleventh and twelfth centuries. Arguing against a view that puts state or nation formation at heart, Wolverton examines interactions among dukes, emperors, freemen, and the church on their own terms, asking what powers the dukes of Bohemia possessed and how they were exercised within a broader political community.
