

lawless world making and pdf

Lawless World does, then, become more and more about America and the Making and Breaking of Global Rules (as the subtitle has it), with an increasing focus on the actions taken as a result of the terrorist attacks in New York and Washington, D.C. in September, 2001. Sands makes the easy case for the illegality of the detention of foreign ...

Lawless World: Making And Breaking Global Rules: Philippe

Lawless World is his acclaimed account of the origins, development and crucial importance of international law, covering human rights, war, torture and the environment. Revealing how US and UK governments have undermined the key agreements that they helped to put in place, his book has helped change the political agenda.

Lawless World: Making and Breaking Global Rules book by

International lawyer Philippe Sands has a unique insider's view of the elites who govern our lives. His sensational revelations in Lawless World changed the political agenda overnight, forcing Tony Blair to publish damning material that he'd tried to hide.
