READ BOOK Leading School Change: 9 Strategies To Bring

Leading School Change comÂ-partmentalizes management advice into nine valuable strategies for facing changes. One of the introductory points that I found interesting encourages school leaders to take a hard look at what might be the true concerns caused by a procedural, structural, or cultural transformation before making an assumption and ...

Leading School Change: 9 Strategies To Bring Everybody On

consequences in response to change. Schools as systems produce the results they are designed to produce. If different results are desired, the focus must be on changing the system, not simply demanding the system work better. Schoolwide change can occur when guided by leadership, driven by data and supported through continuous professional learning.
