lets not call it pdf

Yeah. The thing is insulin resistance is a fairly specific clinical term. It means that for a give concentration of insulin, the cells don't respond to the same degree in respect to lowering of blood glucose such that higher and higher levels are required to get the normal effect.

Let's not call it physiologic insulin resistance. - reddit

Let's not call them neo-Nazis, in other words. Let's call them what they are, which is, generally speaking, something much sadder and far less glamorous: lonely people, whom life has passed by, who don't have the resources to find an identity for themselves outside of some putative national heritage.
