What is literature review in research paper pdf

literature review is an aid to gathering and synthesising that information. The pur-pose of the literature review is to draw on and critique previous studies in an orderly, precise and analytical manner. The fundamental aim of a literature review is to provide a comprehensive picture of the knowledge relating to a specific topic.

What is a Literature Review? - SAGE Publications

Sample APA Papers: Literature Review This section offers a sample literature review, written by an undergraduate psychology student at Purdue University. Since it's a real paper written by a real student, we haven't corrected the student's errors, but have instead included comments that point them out. If you have a
