AP Macroeconomics 2004 Scoring Guidelines Form B The College Board is a not-for-profit membership association whose mission is to connect students to college success and opportunity.

2004 AP Macroeconomics Form B Scoring Guidelines

5. As in question 4, the economy is at the medium-run equilibrium (point M), but it experiences an increase in productivity which does not affect AD. If people's expectations about productivity are always correct, what happens in the short- and medium-run? Show graphically. Label all curves. Label short- and medium-run equilibria clearly.

14.02 Principles of Macroeconomics Fall 2004

Fertility: High fertility rates correlated with levels of income and low rates of economic growth; and the process of development follows a Malthus curve, meaning that fertility rates initially increase and then fall as the economy develops.
