

making music the guide pdf

The music that we listen to as fans or music lovers is packaged, sold, processed and viewed as a product by industry professionals. These professionals, who all serve different functions, are directly or indirectly responsible for the sale of that product or the support of the artist whose talent it embodies.

TO DOING BUSINESS IN THE MUSIC INDUSTRY

Over the last month we've learned all about the basics of music production, posting new lessons on a weekly basis. With the lessons finished, now you can get the complete guide and find out how ...
