The rest of this paper describes this community in more detail. In true Math Talk, teachers create a Math Talk Inquiry ...

A Math Talk Community in Math Expressions Common Core

Write a paper that you yourself would want to read. Make it accessible. Bear in mind that the referee for your paper will be a busy person who has no patience for a tract that he cannot fathom. Lay out the material so that it is rapidly apparent what your main result is, what the background for that result is, and how you are going to go about proving it.
