The story of communism is a story of contradictions. Despite Marx's call for the workers of the world to unite, communism has never been a working class movement. Its strength is in the intellectual and thought centers of the world. Communism is commonly believed to rise out of poverty. Yet Fidel Castro was a product,

None Dare Call it Conspiracy is a great book which calls out the "Insiders". Communism is nothing but Socialism. If one understands that socialism is not a share-the wealth program, but is in reality a method to consolidate and control the wealth, then the seeming paradox of super-rich men promoting socialism becomes no paradox at all.
