Education in India is provided by public schools and private schools, controlled and funded by three levels:

central, state and local. Under various articles of the Indian Constitution, free and compulsory education is provided as a fundamental right to children between the ages of 6 and 14. The approximate ratio of public schools to private schools in India is 7:5.

Education in India - Wikipedia

A textbook or coursebook is a manual of instruction in any branch of study. Textbooks are produced according to the demands of educational institutions. Schoolbooks are textbooks and other books used in schools. Nowadays, most textbooks aren't published exclusively in printed format; many are now available as online electronic books
