The classic symptoms of pertussis are a paroxysmal cough, inspiratory whoop, and fainting, or vomiting after coughing. The cough from pertussis has been documented to cause subconjunctival hemorrhages, rib fractures, urinary incontinence, hernias, and vertebral artery dissection. Violent coughing can cause the pleura to rupture, leading to a pneumothorax.

Perhaps the best feature of GURPS is the huge number of Sourcebooks that have been written for it. Pick any genre or topic, and you will probably find at least one GURPS book covering it (often available in PDF rather than print form these days). Broad categories are covered in genre books; specific settings may

receive their own books. In addition to suggestions and notes regarding the topic ...

Moving from back office to front office? Every year, a lot of young professionals decide to start their careers in investment banks' back offices. People work in back offices for various reasons: easier hours/lifestyle, because they did not make it into a front-office job and hoped it was the best step towards the front office, or because they simply didn't know the difference between back and ...
