Sacrifice is the offering of food, objects or the lives of animals or humans to a higher purpose, in particular divine beings, as an act of propitiation or worship. While sacrifice often implies the ritual killing of an animal, the term offering (Latin oblatio) can be used for bloodless sacrifices of food or artifacts. For offerings of liquids (beverages) by pouring, the term libation is used.

6: Sacrifice and Atonement This is the best news in the world: God invites humanity into relationship with Him. However, as God makes covenants with people, it creates a serious tension. After all, isnâ€™t it impossible for a holy God to stay connected to sinful people? At this point in the biblical storyline some important questions develop.
