The internet has become a significant local information source. The internet has already surpassed newspapers as a source Americans turn to for national and international news. 9 The findings from this survey now show its emerging role as a source for local news and information as well. Among all adults, the internet is either the most popular source or tied with newspapers as the most popular ...

A live action role-playing game (LARP) is a form of role-playing game where the participants physically portray their characters. The players pursue goals within a fictional setting represented by the real world while interacting with each other in character. The outcome of player actions may be mediated by game rules or determined by consensus among players.
