The Women Of Cairo Volume One: Gerard De Nerval

An important book for me (and for more than a few women I know). The Women's Room is sort of Betty Friedan/The Feminine Mystique in novel form. The depictions of the middle-class lives of women and mothers in the 1950s and early 1960s are compelling.

Contents | The Norton Anthology of Literature by Women | W

This book maps the most active and vibrant period in the history of British women's writing. Examining changes and continuities in fiction, poetry, drama, and journalism, as well as women's engagement with a range of literary and popular genres, the essays in this volume highlight the range and diversity of women's writing since 1970.

The History of British Women's Writing, 1970-Present

The sources used for writing this book include official government records, newspapers, collected speeches and writings, reports and minutes, memoirs and autobiographies, oral histories, personal letters, diaries, and

songs, as well as monographs and articles with Indian women as their subject.
