While the facts of overpopulation are very challenging, remember: we can choose our future. Forecasts might lead you to believe that a population of 9,10, or even 11 billion is inevitable. But a dramatic and voluntary reduction in births starting now can begin to create a more positive and sustainable future for our planet. See our "Help Us Now" section to learn what you can

The balance of power theory is a core tenet of both classical and neorealist theory and seeks to explain alliance formation. Due to the neorealist idea of anarchism as a result of the international system, states must ensure their survival through maintaining or increasing their power in a self-help world. With no authority above the state to come to its rescue in the event of an attack by a ...
