

### **world studies latin america pdf**

The history of Latin America during World War II is important because of the significant economic, political, and military changes that occurred throughout much of the region as a result of the war. The war caused a lot of panic in Latin America over economics, because they depended on the European investment capital which was shut down.

### **Latin America during World War II - Wikipedia**

Latin America is a group of countries and dependencies in the Western Hemisphere where Romance languages such as Spanish, French and Portuguese are predominantly spoken; it is broader than the terms Ibero-America or Hispanic America. The term "Latin America" was first used in an 1856 conference with the title "Initiative of the America. Idea for a Federal Congress of Republics" (Iniciativa de ...
