At first, the claim that atheism is a religion might sound ridiculous. It certainly can be a surprising claim. And it's one that many people, including western atheists, might initially dismiss out of hand. But there's more to the story here. There is a case to be made that, in a very re

Is Atheism a Religion? : Strange Notions

Islamism is a concept whose meaning has been debated in both public and academic contexts. The term can refer to diverse forms of social and political activism advocating that public and political life should be guided by Islamic principles or more specifically to movements which call for full implementation of sharia. It is commonly used interchangeably with the terms political Islam or ...
