A writer is a person who uses written words in various styles and techniques to communicate their ideas. Writers produce various forms of literary art and creative writing such as novels, short stories, poetry, plays, screenplays, and essays as well as various reports and news articles that may be of interest to the public. Writers' texts are published across a range of media.

The rock engraved image to the right is called a fravahar or farohar (also spelt faravahar). It is an image found on rock inscriptions and carvings commissioned by the ancient Persian Achaemenian kings. The image is usually portrayed above the image of a king, and the figure in the farohar is identical to the king below in features as well as clothing.
