A proverb (from Latin: proverbium) is a simple, concrete, traditional saying that expresses a truth based on common sense or experience. Proverbs are often metaphorical and use formulaic language. Collectively, they form a genre of folklore.. Some proverbs exist in more than one language because people borrow them from languages and cultures similar to theirs.

Ifá is a religion and system of divination and refers to the verses of the literary corpus known as the Odu Ifá. Orunmila is identified as the Grand Priest, as he is who revealed divinity and prophecy to the world. Babalawos or Iyanifas use either the divining chain known as Opele, or the sacred palm or kola nuts called Ikin, on the wooden divination tray called Opon Ifá.
