Competitive Analysis Definition: Competitive analysis or competitive research is a field of strategic research that specializes in the collection and review of information about rival firms. It 's an essential tactic for finding out what your competitors are doing and what kind of threat they present to your financial well-being.

How to Do a Competitive Analysis in 5 Easy Steps

In business, a competitive advantage is the attribute that allows an organization to outperform its competitors. A competitive advantage may include access to natural resources, such as high-grade ores or a low-cost power source, highly skilled labor, geographic location, high entry barriers, and access to new technology.
